L'AZIENDA

Dal 1954 E.Co Exact components è l'azienda di riferimento nella produzione e distribuzione di fissaggi sul territorio nazionale ed internazionale. Fornitore delle più grandi industrie ed organizzazioni del settore automobilistico, è capofila di una vasta rete vendite confermando ad oggi la sua capacità di innovazione, ampliando la sua offerta anche ad altri settori industriali.

LA PRODUZIONE

L'azienda segue attentamente tutti i passaggi della produzione: ideazione, progettazione, costruzione di stampi e realizzazione, offrendo al cliente articoli di qualità inimitabile.

PRODUZIONE

L'esperienza di oltre 60 anni di produzione, i continui investimenti in nuovi macchinari, risorse umane e tecnologiche hanno permesso alla E.Co di espandere la gamma anche nel settore dei veicoli commerciali, facendola diventare un partner di fiducia per tutti gli utenti del settore.

LO STOCCAGGIO

E.Co da sempre si è distinta con brevetti e soluzioni rivoluzionarie per la funzionalità di officine e magazzini di ricambio. Questo know-how altamente specialistico si applica ovviamente anche al suo sistema interno di stoccaggio, garantendo alla clientela tempi di consegna ridottissimi.

QUALITÀ

La qualità da sempre rappresenta un punto fondamentale, oltre ad essere certificati ISO 9001:2015 per la E.Co qualità significa: materiali e fornitori di eccellenza, attenzione al cliente, precisione, rispetto del lavoro e del cliente, controllo, manutenzione e soddisfazione.

THE COMPANY

Since 1954 E.Co Exact components is specialized in the production and distribution of fasteners in the national and international territory supplying the biggest automotive companies. Thanks to his innovative skills, E.Co also reached other sectors.

PRODUCTION

The company carefully follows and controls all the production steps: design, planning, construction of molds and production, offering its customers inimitable quality articles.

PRODUCTION

The experience of over 60 years of production, the continuous investments in new machinery, human and technological resources have allowed E.Co to expand his range in the commercial vehicle field, making E.Co a trusted partner for all its users.

STORAGE

Thanks to patented and revolutionary solutions for the functionality of workshops and spare warehouses, E.Co applied this know-how also to its internal storage, guaranteeing to the customers short delivery times.

QUALITY

E.Co is ISO 9001: 2015 certified and quality is for our company a key point, with special meaning: materials and suppliers of excellence, attention to the customer, precision, respect for work and customer, control, maintenance and satisfaction.

**TALMENTE EASY
CHE PUOI PERMETTERTI DI COMPRARLI
A SCATOLA CHIUSA!**

La E.CO. vi presenta i nuovi prodotti di successo 4Easy ed Easybox, la soluzione studiata apposta per te, tanto che puoi comprarla a scatola chiusa.

4Easy, un contenitore facilmente trasportabile grazie alla maniglia ed al peso leggero, contiene quattro Easybox, le valigette a sua volta facilmente trasportabili ed assortite con i fissaggi di migliore movimentazione.

**SO EASY THAT YOU CAN BUY IT SIGHT
UNSEEN!**

4Easy and Easyboxes are the solution studied exclusively for You, so that You can buy it sight unseen.

4Easy is a container easy to transport thanks to his handle and light weight. It contains four Easybox, boxes assorted with the top sellers items.

II COPRIVITE CAP SCREW COVER

Utilizzabili nei più svariati settori, il nostro cappuccio con rondella coprivite, è ideale per tutte quelle applicazioni in cui si vuole anche ottenere un gradevole aspetto estetico. Di facile applicazione, rimovibile al bisogno, è fabbricato in nylon PA 6.6. Normalmente prodotto in due misure piccolo e grande, sempre disponibili a magazzino nei colori:

* neutro cielo, grigio e nero.

Our screw cap cover applied in many fields is ideal to improve the appearance of the final products. Easy to apply, removable when needed, it is made of nylon PA 6.60. Usually produced in two sizes, small and big, both always available in our stock in different colors: Neutral sky, grey and black.

Non esitate a contattarci, insieme potremo trovare la soluzione per soddisfare, con un lotto minimo, la Vs richiesta per colorazioni personalizzate.

Do not hesitate to contact us in order to find the specific solution able to satisfy your needs. According to a minimum quantity it would be possible to produce it in other colors.

Fissaggio fascette di cablaggio/ Cable ties fastener

1. Inserire la corda nell'apertura della testa e spingerla nell'apposito incastro.

We recommend the use with specific glues for ABS

2. Per la fascetta spingere la coda fuori dall'incastro.

Push the tail out of the joint

3. Se l'installazione è finita, la fascietta può essere tensionata e tagliata manualmente o con un utensile.

Once installation is finished, the tie can be tensioned and cut manually or with a tool

Si consiglia l'utilizzo con colle specifiche per ABS
We recommend the use with specific glues for ABS
